SUMMARY

I have been working in web development since 2021, gaining valuable experience with various technologies and frameworks such as Laravel, MySQL, Vue.js, CodeIgniter, and Node.js. I possess a strong understanding of PHP, MySQL, HTML, HTML5, CSS3, APIs, jQuery, Ajax, JavaScript, Vue.js, Stripe Payment Gateway, Azure, and Git. As a hands-on individual, I have the ability to think outside the box and possess a "getting things done" and agile-driven mindset. I am dedicated to continuously improving my skills and knowledge to shape the future of web development based on my years of experience.
